STRONG VOICES RISING

A single voice hitting the right note can shatter glass.

Many voices build on that timbre and strength. They resonate. They create a vibration that can shake foundations. Change expectations. Many voices ring through, and ring true.

TEMPO is a group of women who have spoken up, risen above and defied conventions to succeed. And we are committed to helping others do the same. We are each bold, strong, smart and uniquely powerful. Together, we are unstoppable.

TOGETHER, OUR VOICES RISE.
AND THE WORLD RISES WITH US.

About Us

TEMPO

TEMPO is a professional women's organization that connects its 450+ members who hold CEO, executive and senior leadership positions with one another and the community. Its mission is to further the impact of women leaders in Milwaukee. TEMPO provides members with the opportunity to network with leaders and future leaders and enhance their awareness of issues and trends having an impact on Milwaukee and the business community. TEMPO serves its diverse membership and community through educational programming, networking opportunities, relationship building, and mentoring, with the goal of empowering women to achieve and sustain leadership roles.

In 2015, TEMPO introduced its Emerging Women Leaders (EWL) initiative. EWL is composed of nearly 400 of Milwaukee's rising stars and high-achievers, locally recognized, community-minded change makers and inclusive up-and-coming leaders. They are future TEMPO members and represent the next generation of leadership in their industries, functions and city. EWL members have access to a multitude of benefits including professional development, community involvement, and social and networking events. EWL members can also receive individual mentoring by TEMPO members and/or from their peers in a small group setting.

About the Event

For nearly 50 years, mentoring has been a cornerstone of TEMPO's existence. We are proud of our foundational roots in the practice and promotion of mentoring. It is part of our DNA. It is who we are. It is who we represent.

In alignment with one of our core values, TEMPO established the Mentor Awards in 1990 to recognize individuals and organizations in the community dedicated to help others realize their personal and professional potential. The \$15,000 scholarships granted each year, made possible through the TEMPO Foundation, honor the importance of education and paying it forward.

35th Anniversary

2025 marks the 35th Anniversary of this annual event! This signature event honors two individuals and one company or organization for its commitment to mentoring. TEMPO Mentor Award recipients then select a Wisconsin college or university to receive a financial donation in their name. That scholarship is awarded to a deserving woman who has completed her junior year and shows financial need, as well as ongoing commitment to leadership and academic achievement.
