TEMPO Milwaukee is seeking local female entrepreneurs who would like to showcase their forward-thinking products or services to Milwaukee business and community leaders at its 14th Annual Leadership Event. In addition to great exposure at our Entrepreneur Showcase, participants will receive additional benefits listed below.

Eligible applicants:

- Are female founders/co-founders of their company or organization
- Have developed a compelling, forward-thinking product or service
- Reside and work in Southeastern Wisconsin

Last year, this event attracted a record-crowd of more than 650 of Milwaukee's most influential business and community leaders celebrating female entrepreneurship and innovation. This year's event (which is sold-out at 780 attendees!) expands upon last year's theme with a story of brilliance and resilience from featured speaker Kendra Scott, founder of Kendra Scott jewelry. Kendra represents family, fashion and philanthropy with her entrepreneurial mindset which took her from a \$500 project in the spare bedroom of her home to a billion-dollar fashion brand loved globally.

For a \$350 fee, Entrepreneur Showcase Participants receive the following benefits:

- Trade show table (6') in the exclusive Entrepreneur Showcase ballroom from 10:00 a.m. to noon.
- 1 ticket to the event
- Logo recognition as Entrepreneur Showcase Participant in the event program booklet
- Verbal recognition as Entrepreneur Showcase Participation from podium
- Exposure to approximately 780 Milwaukee business and community leaders
